

Micro Technologies wins the 'Deloitte Technology Fast 500 Asia Pacific & Deloitte Technology Fast 50 (India) Award' for the 07-08

Micro Technologies (India) Ltd. has once again been chosen as one of the fastest growing companies in India by the Deloitte Touché Tohmatsu. It has been awarded the 'Technology Fast 50 (India) Award' & the 'Deloitte Technology Fast 500 Asia Pacific' Award for the second consecutive year. This recognition has enabled Micro Technologies India Ltd. to establish itself as a world class security and technology company that entails the productions and sale of top-of-the-line products and information.

The Award, instituted by Deloitte, is to recognize the fastest growing companies in a country. Now in its eleventh year globally, the award has become a benchmark for technology companies all over the world. It is also one of the foremost technology award programmes and is a ranking of the country's 50 fastest growing companies. The Deloitte Technology Award comprises a rigorous procedure to shortlist the leading technological companies in India. The criteria include a consideration of the revenue growth and overall financial performance of the company for three consecutive years. The Deloitte Technology Fast 500, program honors business growth, technological innovation and the entrepreneurial spirit. About Micro Technologies-Micro Technologies (India) Ltd is a leading global developer, manufacturer and

marketer of IT based security solutions for its clients across the globe. Products range includes the much-needed security devices, life support systems and web-based software. It is one of the most valued security solutions across the globe and has been accorded with Global awards like as well as the Maharashtra IT Award for its R& D. Micro Technologies aims at displaying not just the technological innovation and prowess but also the product diversity in various segments of vehicle, premises, mobile and other assets.

The bid of Micro Technologies is to operate at global standard and we have always believed in delivering the best, and it is this continuous effort that has brought about global recognition. At Micro Technologies, we will use the benchmark provided by this recognition to constantly excel and deliver beyond promise every time. ■
