To,

Mr. P. A. Krishna Murthy,

In charge - Microshoppe, Fort, Mumbai.

Sir,

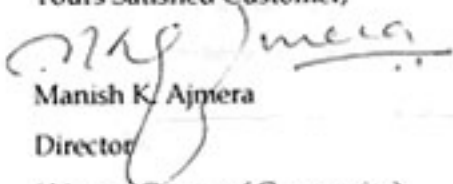

I, Mr. Manish K. Ajmera, Residing at 28, Aryan Mahal Co.Op.Hsg. Soc., 5th Floor, 43' 'C' Road, Marine Drive, Mumbai 400020. had install your Micro System in my Scorpio Vehicle on 15/02/2008. Which was very helpful to me.

On 4th May, 2008 my vehicle was stolen, which was park just outside of my Building, in fact when I first received the SMS at 4.25 am "Welcome, Mr. Jesal, your vehicle MH-06-AN 2184 will now be secured using Micro VBB" I, had different thought, then again I received the second message and when I check it, it was read like this " Alert! There is an attempt to remove the sim card of vehicle MH 06 AN 2184" immediately within 4/5 min I had changed from my night dress to Paint and T-Shirt and rush down, but I forgot to carry the mobile along with me. I was shock to see that some miscreant had already flipped my car. I came up and immediately sent the message to "Armed" my car and second message as "Find" and I received the message for first one as failed, and second giving me the location of my Scorpio at "Grand Hyatt Road", and I was trying Marine Drive, Police Station, and my wife got through Control Room immediately. I talk with officer on duty and told that my vehicle has been stolen, in the mean time I had again SMS to "Arm" my Car and it got Jam" over their. And also told him the location where my vehicle could be to the officer, he was surprise to inquire how I knew the location of my car. I explain him that I have install one device by which I can come to know the location, as and when I SMS my car. He did not believe, ultimately after arguing sometime he assued me that he will intimate the Police Station, on wireless. Afterward, I again got the message that my car's door were opened and somebody
