

## Micro Technologies wins the Dun & Bradstreet – ECGC – Indian Exporters' Excellence Award July 11, 2008

### Award recognizes Micro Technologies as the winner in the IT & ITES Sector

Micro Technologies (India) Ltd. wins the Dun & Bradstreet – ECGC – Indian Exporters' Excellence Award. Dun & Bradstreet, the world's leading provider of global business information, knowledge and insight, in association with Export Credit Guarantee Corporation of India Ltd (ECGC) announced the '**D&B – ECGC Indian Exporters Excellence Awards**' to recognize the contribution of the Exporters to the Indian economy.

The '**D&B – ECGC Indian Exporters' Excellence Awards**' were conceptualized keeping in mind the growing contribution of exports to the emerging Indian economy. Ranking of the companies was based on a composite score of the five parameters considered in ranking companies included Total Export Revenue, Growth of Export Revenue, Export Revenue Contribution to Total Turnover, Net Profit and Growth in Turnover.

Out of the huge database of the shortlisted companies, Micro Technologies wins the first runner up award in the IT & ITES Sector under the medium exporter's category. This award has given wide recognition and has created a wider platform for Micro Technologies that will enable this Indian based R&D and manufacturer organization to reach out to their current and potential customers across the world, thus assisting them in enhancing their visibility. As an exporter Micro Technologies has already reached out to several countries like South Africa, Middle East, Nigeria, Japan, China including some of its neighboring countries like Sri Lanka, Bangladesh etc.

Dun & Bradstreet is the world's leading source of global business information, knowledge and insight, has been enabling companies to decide with Confidence® for 165 years. D&B's global commercial database contains more than 100 million business records. Export Credit Guarantee Corporation of India Limited was est. in the year 1957 by the Govt. of India. Being essentially an export promotion organization, it functions under the administrative control of the Ministry of Commerce & Industry, Department of Commerce, and Government of India which is managed by a Board of Directors comprising representatives of the Govt., RBI, Banking and insurance and exporting community.

Micro Technologies (India) Ltd is a leading global developer, manufacturer and marketer of IT based security solutions for its clients across the globe. Products range includes the much-needed security devices, life support systems and web-based software. It is one of the most valued security solutions across the globe and has been accorded with Global awards like as well as the Maharashtra IT Award for its R& D. Micro Technologies aims at displaying not just the technological innovation and prowess but also the product diversity in various segments of vehicle, premises, mobile, other assets and now entering Energy & Health Segments.

To be recognized as one of the leading exporter in India is truly an important milestone in the growth of Micro Technologies as a company that strives for innovation and excellence.
