

Micro Technologies listed on Forbes 'Best Under A Billion' list

12th September, 2009: - Micro Technologies gets listed as the 'Best under a Billion' by the US Magazine- Forbes, amongst the 20 Indian listed companies. These companies were selected out of the 12000 reputed global public-listed firms.

Forbes conceptualised these rankings on the basis of consistent growth of sales and profit, modest indebtedness and future prospects. Despite the financial turmoil ravaging economies globally, Micro Technologies was one amongst these leading companies which maintained its consistent growth graph. Micro Technologies recently have tapped various domestic and international markets and bagged multiple bulk deals including the 5 million USD businesses from FN Systems, Japan for the mobile security products, 6 Million USD with TWI International PTY. Ltd., South Africa with range of Micro Security Products, Saudi Arabia, Ghana, Netherlands and other markets.
