

MICRO TECHNOLOGIES TEAMS WITH CIAN PTY. LTD TO INTERNATIONALLY DISTRIBUTE THEIR SECURITY PRODUCTS

Micro Technologies (India) Ltd is a leading global developer, manufacturer and marketer of IT based security solutions for its clients across the globe collaborated with CIAN Pty. Ltd, Australia for distributing their security products in Australian market. CIAN delivers unique and comprehensive Infrastructure, Financial and Resilience solutions for the broadest scope of corporate, government and public agencies worldwide.

Micro Technologies and CIAN together would provide their security solutions to companies and government entities in the Australian and Asia Pacific region. Both the companies have their own strength and have collaborated to bring out to the world the best security solutions.

"This agreement is a key to Micro Technologies efforts to become a leading global provider of security solutions," said **Mr. Mukund Gupta, CEO**, Micro Technologies. "We will invest the resources to make this venture a success and building on our long association with Micro Technologies (India) Ltd, we look forward to creating an infrastructure that can address complex solutions and mission critical environments." added **Mr. Lew Stowbunenko**, Founder and Managing Partner, CIAN Pty. Ltd.

Australia is the regional hub for trade and finance with a population of 22,397,822. After the test marketing and thorough understanding of the need of security products amongst the common masses, Micro Technologies with its widely accepted range of products gauged a great market potential in the Australian market.
