

## **Micro Technologies wins the 'Amity Corporate Excellence Awards'.**

Micro Technologies (India) Ltd. was awarded the 'Amity Corporate Excellence Award' at the 11th International Business Horizon (INBUSH) 2009 organized by Amity Business School.

The 'Amity Corporate Excellence Award' has been accorded to Micro Technologies (India) Ltd. for having achieved the enviable position of one of the best and most admirable business organization which has leveraged technology in global business to its best potential.

The "Amity Corporate Excellence Awards" is given to top global Organizations of the world who are business leaders in their various domains and functional areas. These awards are instituted by the Amity Business School where a group of research team works with a methodology wherein final short listed companies are selected for the survey of the year and on certain pre-defined parameters this survey report is evaluated. Winners in the Global Corporate Excellence Awards are selected annually from among nominated companies, each of which is nominated based on specific strengths and core competencies.

Micro Technologies (India) Ltd is a leading global developer, manufacturer and marketer of IT based security solutions for its clients across the globe. Products range includes the much-needed security devices, life support systems and web-based software. It is one of the most valued security solutions across the globe and has been accorded with Global awards and the Maharashtra IT Award for its R& D. Micro Technologies aims at displaying not just the technological innovation and prowess but also the product diversity in various segments of vehicle, premises, mobile, other assets and now entering Energy & Health Segments.

To be recognised as one of the most admirable business organization in leveraging technology will definitely boost the company to push itself to achieve greater heights.
